THE SCHOOL SONG

Composed by **Mrs. Cherry Burke Ojha**

We've a dear school so grand
On a green verdant strand
It's a beautiful place just like home.
Here we're taught to think high
A spirit of Never Say Die
And to follow God's plan for his own.

Chorus:

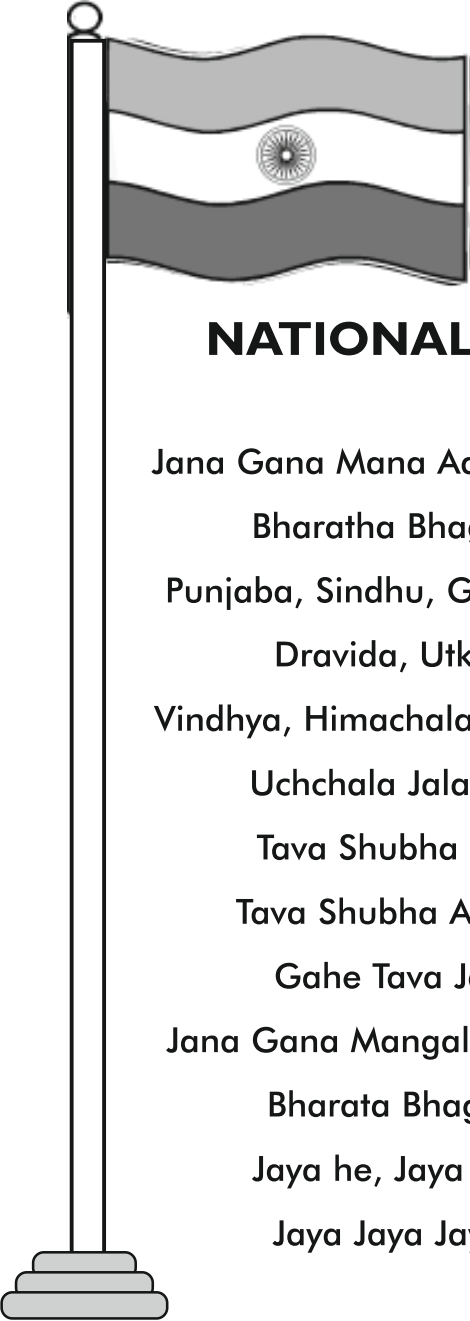

The best I can do, the best I can be
Is our motto so bold and so true;
The best I can do, the best I can be
My School motto's so precious to me.

When our days here are done
And our school days are gone
And we're out on the world's stormy sea
All our values you'll see
Just as strong as can be
With the love that's been taught to us here.

Chorus

By our motto we'll stand
Be it sea, sky or land
And we'll list to its dutiful call
Then we'll cast aside fears
And we'll banish all tears
As we strike out for new distant goals.

Chorus

**The English translation of the
National Anthem, as rendered
by Rabindranath Tagore**

Thou art the ruler of the minds of all people,
Dispenser of India's destiny.

Thy name rouses the hearts of Punjab,
Sind, Gujarat and Maratha;
of Dravida and Orissa and Bengal;

It echoes in the hills of the Vindhya and Himalayas,
mingles in the music of Jamuna and Ganga
and is chanted by the waves of the Indian Sea.
They pray for thy blessing and sing thy praise.

The saving of all people waits in thy hand,
Thou Dispenser of India's destiny;
Victory, victory, victory to thee.

Translation of Vande mataram

Mother, I praise thee!
Rich with thy hurrying streams,
Bright with thy orchard gleams,
Cool with the winds of delight,
Dark fields waving, Mother of
might,
Mother free.

Glory of moonlight dreams,
Over thy branches and lordly
streams,
Clad in thy blossoming trees,
Mother, giver of ease,
Laughing low and sweet,
Mother, I kiss thy feet,
Speaker sweet and low,
Mother, to thee I bow. [Verse 1]

Who hath said thou art weak in
thy lands,
When the swords flash out in
seventy million hands,
And seventy million voices roar
Thy dreadful name from shore
to shore?
With many strengths who art
mighty and strong,
To thee I call, Mother and Lord!
Thou who savest, arise and save!
To her I cry who ever her
foemen drove
Back from plain and Sea
And shook herself free. [Verse 2]

Thou art wisdom, thou art law,
Thou art heart, our soul, our

breath
Thou art love divine, the awe
In our hearts that conquers
death.
Thine the strength that nerves
the arm,
Thine the beauty, thine the
charm.
Every image divine.
In our temples is but thine.
[Verse 3]

Thou art Goddess Durga, Lady
and Queen,
With her hands that strike and
her swords of sheen,
Thou art Goddess Kamala
(Lakshmi), lotus-throned,
And Goddess Vani (Saraswati),
bestower of wisdom known
Pure and perfect without peer,
Mother lend thine ear,
Rich with thy hurrying streams,
Bright with thy orchard gleams,
Dark of hue O candid-fair [Verse 4]

In thy soul, with jewelled hair
And thy glorious smile divine,
Loveliest of all earthly lands,
Showering wealth from well-
stored hands!
Mother, mother mine!
Mother sweet, I bow to thee,
Mother great and free! [Verse 5]

Translation of Karnataka State Anthem

Victory to thee Mother
Karnataka, daughter of Mother
India!
Hail the land of beautiful rivers
and forests!
Hail the abode of saints and
seers!

A new jewel in the crown of
Goddess Earth,
Thou art a trove of sandalwood,
beauty and gold.
Victory to thee Mother
Karnataka, Daughter of Mother
India,
where Rama and Krishna had
their incarnations.

Resonance of the Vedas is the
Mother's lullaby,
Thy fervour is what giveth Her
life.
Rows of green mountains are
thy necklaces.

Victory to thee Mother
Karnataka,
Daughter of Mother India
who is hailed by Kapila,
Patañjali, Gautama and Jina.

Thou art a sacred forest of
knowledge
where Shankara, Ramanuja,
Vidyaranya, Basaveswara,
Madhvacharya and others
dwelt.

Thou art the holy abode
where Ranna,
Shadakshari, Ponna, Pampa,
Lakshmis, Kumaravyasa and Janna were
born.

Thou art the blessed resting
place of many nightingale-like
poets.

Victory to thee Mother
Karnataka,
Daughter of Mother India
The progenitor
of Nanak, Ramananda and Kabir.

'Tis the land ruled
by Tailapa and Hoysalas,
The beloved home of Dankana
and Jakkana.

This land blessed with the
waters of Krishna,

Sharavathi, Tunga and Kaveri.
Victory to thee Mother
Karnataka,
Daughter of Mother India!
The India
of Chaitanya, Paramahansa
and Swami Vivekananda.

Garden of peace for all
communities,
A sight that allures the
connoisseurs,
A garden
where Hindus, Christians, Muslims,
Parsis and the Jains can grow
together;

The site where many kings
like Janaka ruled;
A heaven for singers and
musicians.

The body of the children of
Mother Kannada!

The house where the Kannada
Tongue playeth in joy!

Victory to thee Mother
Karnataka,

Daughter of Mother India!

Hail the land of beautiful rivers
and forests!

Hail the abode of saints and
seers!

Earth Shining in Glory

Our Milky Way is shining,
with millions and millions of stars.

Our beloved star Sun, along with eight other
planets around, orbits the Milky Way,
Finishes one orbit in two hundred and
fifty million years.

Somewhere in the galaxy...
Echoed a voice in surprise,
"See there, the Earth shining in glory!
How come it got its light?"

A sweet and soft reply comes,
"It is not the mere light,
It is the light of knowledge,
It is the light of service,
It is the light of peace.

NEW MILLENNIUM SCHOOL

The New Millennium School was founded in 1999, under the auspices of the Sree Saraswathi Education Trust, a registered body. It is a recognized, private, unaided, educational institution. It is a linguistic minority Malayalee Trust.

The medium of instruction is English. The School is affiliated to the Council for the Indian School Certificate Examination, New Delhi and pupils are prepared for the Indian Certificate of Secondary Education Examination conducted by the Council. The School academic year is from June to April.

The aim of the School is to impart holistic education, which would result in the mental, physical and moral growth of its pupils. The School endeavours to inspire its students towards moral integrity and character development, giving them sufficient resources to sustain them throughout life. The foundation laid here and the training imparted ensures that every "Alumnus" will prove his/ her usefulness to society, living a life to do his/her "Alma mater" proud.

Admission is open to boys and girls, irrespective of caste, community or religion. Classes are conducted in well – ventilated and spacious classrooms. The School has well equipped Physics, Chemistry, Biology Laboratories and a Geography Room. It has a state – of the – art, Computer Laboratory, an informative Library and an A.V. Room. Interactive White Boards are used as teaching aids and are a tool for effective learning. We also boast of a large playground for games and sports.

Emphasis is laid on co-curricular activities like Debates, Dramatics, Music, Computer Programming, Sports, Games and Club activities. These activities enable the pupils to enhance their knowledge and display their latent potential.

The "House System" is in vogue. There are four Houses – Emerald (Green), Ruby (Red), Topaz (Yellow) and Sapphire (Blue).

ART OF LIVING

Dr Rajendra Prasad: In attaining our ideals, our means should be as pure as the end.

Sarvapalli Radhakrishnan: When we think we know, we cease to learn. A life of joy and happiness is possible only on the basis of knowledge and science. Books are the means by which we build bridges between cultures.

Jawaharlal Nehru: Faith is of no avail in the absence of strength. Faith and strength, both are essential to accomplish any great work.

We live in a wonderful world that is full of beauty and charm and adventure. There is no end to the adventures we can have if only we seek them with our eyes open.

Lal Bahadur Shastri: We believe in peace and peaceful development not only for ourselves, but for people all over the world.

Maulana Abdul Kalam Azad : Educationists should build the capacities of the spirit of inquiry, creativity, entrepreneurial and moral leadership among students and become their role model.

Children live what they learn

Mahatma Gandhi: Live simply so that others may simply live.

There is more to life than simply increasing its speed.

Whatever you do will be insignificant, but it is very important that you do it.

You may never know what results come of your actions, but if you do nothing, there will be no results.

The difference between what we do and what we are capable of doing would suffice to solve most of the world's problems.

The day the power of love overrules the love of power, the world will know peace.

Strength does not come from physical capacity. It comes from an indomitable will.

A thousand candles can be lighted from the flame of one candle, and the life of the candle will not be shortened. Happiness can be spread without diminishing that of yourself.

ॐ शान्ति शान्ति शान्तिः ॥

Om Asato Maa Sadgamaya |
Tamaso Maa Jyotir-Gamaya |
Mrtyor-Maa Amrtam Gamaya |
Om Shaantih Shaantih Shaantih ||

Meaning:

"Om, Lead us from Unreality (of Transitory Existence) to the Reality (of the Eternal Self), Lead us from the Darkness (of Ignorance) to the Light (of Spiritual Knowledge), Lead us from the Fear of Death to the Knowledge of Immortality. Om Peace, Peace, Peace."

GEETANJALI

Where the mind is without fear and the head is held high;
Where Knowledge is free;
Where the world has not been broken up into fragments
By narrow domestic walls;
Where words come out from the depth of truth;
Where tireless striving stretches its arms towards perfection;
Where the clear stream of reason has not lost its way
Into the dreary desert sands of dead habit
Where the mind is led forward by thee
Into ever - widening thought and action
Into that heaven of freedom, my Father, let my country awake.

- **Rabindranath Tagore**
